TEACHING EXPERIENCE

Teacher Candidate, grades 1-3 Jan. – May 2013
Sunset Terrace Elementary School Minneapolis, MN

- Taught students with learning disabilities and emotional disturbances in 15:1:1 class.
- Individualized reading lessons based on students developmental ability.
- Conducted large group lessons in sciences, social studies, and math based on state standards.
- Differentiated instruction to foster success and appropriately challenge students.
- Collaborated with another student teacher to plan and team teach thematically based lessons with a multicultural focus.
- Created classroom management system to successfully address behavior issues.
- Developed Individual Education Plans and participated in ongoing meetings for each grade level.

Teacher Candidate, grade 3 Inclusion Classroom Sept. – Dec. 2012
Monroe Elementary School Richfield, MN

- Taught students with learning disabilities, ADD/ADHD, and Asperger's Syndrome.
- Collaborated with special education teacher and other members of a professional team to coordinate differentiated instruction to meet the needs of all students.
- Teamed with another student teacher to coordinate "Reading Buddies" program with 1st grade class.

Practicum, grades 1-2 Jan. - May 2012
Kellogg Elementary School Saint Paul, MN

- Participated in sixteen week experience including two-week orientation to technology review, lesson plan development, assessment, and classroom management.
- Planned lessons for individuals, small/large groups, and adapted lessons for diverse student learning styles.
- Used various management strategies and assessed instruction with daily reflections and journaling.
- Reflected on experience through supervision with cooperating teachers and university supervisors.
- Integrated multimedia in ePortfolio including lesson plans, assessments, accommodations, and reflections.

Teaching Assistant, grade 2 Inclusion Classroom Sept. – Dec. 2011
Jackson Elementary School Saint Paul, MN

- Provided daily support to classroom teacher, focusing on student learning styles, diversity of learners, and differential instruction.
- Collaborated with special education teachers, in addition to crisis intervention specialist to determine appropriate interventions for youth with emotional disturbances.
